

The Moorings Middle School and Senior High Programs

Our Christian Education focus for our young adults is to communicate the importance of placing Jesus Christ in the center of their lives.

We also lift up the importance of worshiping together and provide a healthy balance of positive activities with meaningful biblical teachings that they can carry into adulthood.

We will provide opportunities of faith growth and development through worship, education, music, mission, fellowship and leadership.

Sunday School Programs 10:00 AM

The youth begin in worship with their families and are dismissed following the *Time for Children*.

Middle School meets in the Youth Room High School meets in the Parlor

The first Sunday of each month the youth are invited to stay in worship, this gives the youth an opportunity to participate in worship leadership and the sacrament of communion.

Youth Fellowship Programs

This is a time for the youth to fellowship with friends, learn how God is working in their daily lives, praise God through music and enjoy recreation in our gymnasium.

Guest Speakers, off-campus events and retreats are scheduled throughout the year.

Middle School Youth Group Meets Wednesdays 4:00-6:00 PM (Sept. – May)

High School Youth Group Meets Sundays 6:00-7:30 PM (Sept. – May)

Youth Missions

There are several opportunities for our youth to become involved in Missions throughout the year. We participate in church wide events such as Meals of Hope, Walk for Water, Fall Festival - as well as help with local groups like Grace Place, St. Matthew's House and Helps Outreach. Each summer we travel for a mission trip.

If you are interested in becoming involved or have questions about our programs please contact: Alicia Rowland

Director of Youth Ministries
