LIFE OF THE CHURCH

Letter From The Interim Pastor

We were grateful to have such a spirited Advent Season. All four weeks, we incorporated the Advent Wreath candle lighting, and an expansive repertoire of favorite Christmas anthems and hymns. The 3 Christmas Eve services were well-attended and celebrated the coming of Christ to the world.

We are thankful for God's goodness and kindness expressed in the everyday blessings of life--friendship, faith, and family. I am grateful for our congregation and its commitment to grow as a family of faith that worships, celebrates, and learns together.

While the Stewardship campaign is over, your pledges and giving to our ministry is vital. As we seek to maintain our facilities, inspiring worship, mission work, and the spiritual development of all people, your support makes it possible.

We will be entering the Lent season--a time of reflection, forgiveness, and preparation to celebrate Jesus' resurrection at Easter.

On Ash Wednesday (February 14th, 2024), we will have 2 services:

10:30AM - Webster Chapel

7:00PM - Sanctuary

We will also have 3 services during Holy Week

Sunday, March 24th - Palm Sunday at 10:00AM Worship

Thursday, March 28th - Maundy Thursday Service at 7:00PM

Sunday, March 31st - Easter Sunday at 10:00AM Worship

Please make plans to invite friends and families to our services, as there are great opportunities to introduce others to Jesus' love and grace, and to our congregation. Finally, in this edition, you will read and learn about what's going on at Moorings Presbyterian Church, and ways you can connect to this community of faith.

Rev. Dr. Pablo R. Diaz
Interim Pastor

An explanation: Transition from Pledge Cards to Giving Estimates

Dear Moorings Presbyterian Church Family,

I trust this letter finds you in good health and high spirits as we embark on a new year filled with hope and opportunities for growth. As we approach this season of reflection and renewal, I am pleased to share with you an important development in how we communicate and support our beloved church community.

After careful consideration and feedback from many of you, the Stewardship Committee has decided to transition from the traditional “pledge cards” to a more inclusive and conversational approach called “giving estimates.” This change is rooted in our commitment to fostering open communication and making everyone feel comfortable expressing their intentions to support the church in the coming year.

We understand that discussions about financial commitments can sometimes be sensitive or challenging. By shifting to giving estimates, we aim to create an environment where each member of our congregation feels at ease sharing their plans for supporting Moorings Presbyterian Church in a manner that suits their individual circumstances.

Giving estimates allow us to focus on the spirit of generosity and unity within our church family. It is not about rigid commitments but rather about fostering a dialogue that enables us to better understand and support one another in our collective journey of faith and service.

By now, you should have seen and heard more information about this transition, along with materials to guide you through the process of providing your giving estimate. (Communicate either with a Giving Estimate card in the pews or through the Give Page under the Ministries menu on our website.) Our hope is that this change will strengthen the sense of community within our church, emphasizing shared responsibility and mutual support.

Your ongoing commitment and generosity have been the pillars of our church’s vitality, and we are excited about this new chapter in our stewardship journey together. If you have any questions or concerns, please do not hesitate to reach out to me or any member of the Stewardship Committee. Your input is invaluable as we continue to evolve and grow as a congregation.

Thank you for your continued dedication to Moorings Presbyterian Church. May the coming year be filled with blessings, joy, and a deepened sense of community.

In Christ’s love,

Peter Johnson

Stewardship Chair

PS—You can pledge by going to our MooringsChurch.org website and clicking on “Give” in the “Ministries” menu. There will also be Giving Estimate Cards available in the pews, which you may place in the offering plates.

Worship in Moss Hall

Join us to receive important updates from Church Leadership
on various aspects of our church's journey.

On January 14th, 2024, Moorings Presbyterian Church had its first ever State of the Church Presentation.

Made by Elders Jim Warnken, (Treasurer/Finance Committee Chair) Peter Johnson (Stewardship Chair), and Steven Dear (Pastoral Nominating Committee Chair), this presentation provided insight into our Church's Financial and Pastoral Search progress,

Open to the public, Moss Hall was filled with 138 church members. The meeting was well received, and some good questions were asked. There was a feeling of "togetherness" in the room and the chatter going on as everyone was leaving confirmed they were glad to have been there.

Thanks for the time you put into preparation for the meeting Jim, Peter and Steven. You did a GREAT job!

PNC UPDATES

To date, we have had 67 individuals apply. We have had so many Pastors with so many different experiences; e.g. from Chaplains and Interim pastors, to individuals just out of seminary. We have had Pastor candidates from churches with less than 100 members to candidates that are leading churches of 1200+ members. Clearly Naples and many of the attributes of this church give interest to individuals to lead this congregation.

Thank you to all that have come to the PNC Prayer meetings each Sunday morning at 9:30 am before the church service in the Chapel and we hope you will continue to come. Your prayers, as well as your attendance make a tremendous difference and are certainly appreciated.

The PNC also wants to thank each person who has reached out to Pastors and had them apply.

God designed us. The legacy of this church is going to continue and God will give us our next pastor when he is ready. It is his time frame that will determine when we receive the next pastor.

I would like to recognize the members of the PNC: Marsha Shelton, Susan Watkins, Angela Bruckner, Terry Birck, Dr. Joe Kerr, and myself.

Blessings,

Steven E. Dear

PNC Committee Chair

YOUTH & FAMILIES

Looking back, the Christmas season was full of traditions old and new. Families gathered for our annual *Movie Under the Stars* and *'Round-the-Table Sing*.

This year we added Advent Wreath Making and Caroling on the Naples Trolley.

Bringing cheer to residents at the Glenview and Moorings Park at the Estuary was the highlight of the season.

We plan to carol on the trolley again next Christmas, with more stops and more voices sharing the joy of the season together.

January was especially busy for Youth Ministries.

The 2024 Confirmation Class, made up of nine 8th and 9th grade young men, kicked off with a retreat at Cedarkirk. They will continue to study together, along with becoming involved in the life of the church.

Middle and high school youth attended Rock the Universe in Orlando. Gabi Boyd, Kailyn Dekker and Charlotte Marshall led the group in a devotional inspired by Casting Crowns, one of the many concerts at the event.

YOUTH & FAMILIES

You are invited to our biggest annual youth fundraiser on Sunday, February 11th:

The 144 Envelopes and BBQ and Baked Goods lunch

Grab an envelope to make your donation and plan for a tasty homemade BBQ lunch after worship - eat here or take it to go!

The money raised supports the youth programs and helps offset the cost of trips for students and chaperones.

This year we hope everyone takes an envelope to support our children and youth programs!

2. Return your envelope with your donation along with your information card in the offering plate or place in the basket in the narthex.
3. If all 144 envelopes are returned we will raise over \$10,000!

Proceeds go directly to support our youth programs.

Bring your envelope to the BBQ lunch and receive free homemade baked goods!

PRESBYTERIAN WOMEN

Presbyterian Women's Purpose

Forgiven and freed by God in Jesus Christ and empowered by the Holy Spirit, we commit ourselves:

- to nurture our faith through prayer and Bible study;
- to support the mission of the church worldwide;
- to work for justice and peace; and
- to build an inclusive, caring community of women that strengthens the Presbyterian Church (USA) and witnesses to the promise of God's kingdom.
- Groundwork for 2023-2024 Focus: welcoming all women

PW Symbol and Meaning (on Cover)

The original Presbyterian Women's symbol was updated in 1999. The symbol expresses the organization's purpose. Presbyterian Women are rooted in faith – forgiven and freed by grace.

The main trio of women emerges in praise from a linear representation of the Bible.

The central figure forms a cross with her arms uplifted

– extending out for a world of peace.

The right figure holds a book to guide her study and prayer.

The left figure reaches out to care for others.

The circle represents the church worldwide.

The three women together, with no distinct features, depict all women

- expressing their energy and openness. We are all witnesses

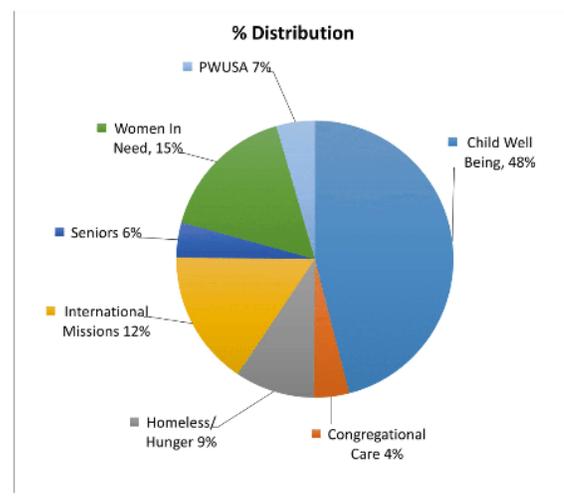

to the reality of God's realm. MPW finds the logo represents our beliefs today as much as ever.
