

The image shows the interior of a church sanctuary. In the center, a wooden cross stands on a raised platform, draped with a purple cloth. Below the cross is an altar covered with a colorful, abstract quilted cloth. The altar is flanked by two tall, thin candlesticks. Behind the altar, a large, multi-paned stained glass window is visible. To the right, an organ console with numerous pipes is partially seen. The pews in the foreground are made of light-colored wood with decorative curved tops. The floor is polished and reflects the light from the windows.

# INSTRUMENTS AT MOORINGS: THE FAZIOLI PIANO

Members and friends of Moorings Presbyterian Church gave generously to enable the church to purchase a handcrafted Fazioli F278 concert grand piano in April 2017.

The Fazioli Piano Company, established in 1981 in Sacile, Italy, is recognized for building the finest pianos available anywhere. We believe this instrument serves and enriches the larger community and further contributes to our resolve to serve God faithfully in our music and all of life.

## INSTRUMENTS AT MOORINGS: THE STERRITTE FAMILY ORGAN

The pipe organ was made possible by a generous gift of Marjorie Sterritte and family, and the Solo Organ and Grand Cornet were recently added through the generosity of Ruth McNeal. The 4,315 pipes, which now comprise the 57 stops and 75 ranks of pipes, produce an incredibly rich tonal palette.

The Solo Organ includes colorful reeds such as the English Horn, French Horn, and Tuba, as well as a Solo Diapason, Gamba Celeste, and Flauto Mirabilis. On top of this broad spectrum of sound, the entire organ is crowned by an elegant, yet bold, five-rank Grand Cornet.
